Teachers' Feedback form

Comments,

Conferences and workshops

The college authority along with IQAC encourage teachers to participate in research works and deliver research publications

The institution facilitate teachers with sufficient infrastructure for the betterment of teaching learning

The college take initiatives to maintain hygiene and cleanliness in the compound.

Adequacy of proper text and reference books in the college library

## Suggestions \*

Since the college is in the rural belt hence there are a number of challenges regarding infrastructure and network connectivity. Though the college is doing its best to cope up with these. Still there are certain technical issues. A little more number of computers would be better for the students.
