Programme Report

Date: 02.06.2021

Organizer: NSS and Department of Bengali Kultali Dr. B. R. Ambedkar College

Beneficiaries: 36 local people from Deulbari

Location: Deulbari, Kultali

In the aftermath of Cyclone Yaas, which wreaked havoc in the Deulbari villages, the NSS (National Service Scheme) and the Department of Bengali at Kultali Dr. B. R. Ambedkar College joined hands to provide much-needed relief to the affected communities. A collaborative effort was undertaken to distribute food and essential materials to 36 local residents. Additionally, young boys and girls were provided with stationery items such as pen, pencils, notebooks, and other essentials to support their education amidst the crisis. The relief initiative began with meticulous planning and coordination between NSS volunteers and faculty members from the Department of Bengali. Essential items such as rice, lentils, cooking oil, and basic groceries were procured, along with educational materials including pens, pencils, notebooks, and stationery. On the designated day, volunteers and faculty members assembled at the playground in Deulbari villages to facilitate the distribution process. Adhering to safety protocols and social distancing guidelines, the team ensured a systematic and orderly distribution of relief packages to the identified beneficiaries. Special attention was given to the educational needs of young boys and girls affected by the cyclone. In addition to food and essentials, they were provided with stationery items to support their academic pursuits and alleviate any disruption to their education caused by the disaster.

Beneficiaries: 27 local people from Jamtala received warm clothes

This event aimed to provide warmth to the underprivileged residents of Jamtala by distributing warm clothing. The presence and guidance of Shri Ganesh Chandra Mondal, an eminent figure serving as both the President of the Governing Body of the College and the Member of the Legislative Assembly (MLA), added significance and impetus to the initiative. Under Shri Mondal's guidance, the distribution of warm clothing began, with 27 local residents from Jamtala being the beneficiaries of this noble endeavour. Each recipient received essential winter garments, including sweaters, and blankets. The event held profound significance for the recipients, many of whom belong to economically disadvantaged backgrounds and struggle to afford basic necessities, particularly during the winter season.

Programme Report

The "Brikkho Mohotsob" organized by the NSS Unit exemplified the spirit of community-driven environmental conservation. By bringing together volunteers and **17 local residents** to plant saplings along the roadsides, the event not only beautified the landscape but also fostered a sense of camaraderie and shared responsibility towards nurturing the environment. With shovels in hand and determination in their hearts, volunteers and local residents set out to plant saplings along the roadsides. Guided by experienced volunteers, participants dug holes, planted saplings, and gently tamped the soil around them, symbolizing their commitment to nurturing the environment. The success of the "Brikkho Mohotsob" would not have been possible without the dedication and commitment of volunteers, local residents, and college administration. Their collective efforts underscore the transformative power of community engagement in creating a greener, healthier, and more sustainable future.

Organizer: NSS Unit in collaboration with UNICEF

Beneficiaries: 58 People from nearby villages

A crucial awareness programme focusing on the issues of Child Labour and Human Trafficking was organized by the National Service Scheme (NSS) Unit in collaboration with the United Nations International Children's Emergency Fund (UNICEF). The event aimed to educate and sensitize villagers about these critical social issues and their detrimental effects on children and society as a whole. A highlight of the programme was the performance of a drama dedicated to these topics, aimed at disseminating necessary information in an engaging and accessible manner. The programme commenced with a captivating drama performance depicting the harrowing realities of child labour and human trafficking. Through compelling storytelling and vivid portrayals, the drama shed light on the experiences of vulnerable children and the exploitative practices they face. The dramatic presentation served as an effective medium to disseminate essential information and evoke empathy and understanding among the audience. Following the drama performance, expert speakers from UNICEF and NSS Programme officer delivered informative talks on the prevalence and impact of child labour and human trafficking. They highlighted the underlying causes of these issues and discussed strategies for prevention and intervention. Participants were encouraged to actively engage in the discussions and share their insights and concerns. By harnessing the power of drama and interactive discussions, the programme succeeded in empowering villagers with knowledge and tools to combat these grave social injustices.
